Certificate No.: L20-771

This product has been tested by Atlas Labs FL, LLC using validated testing methodologies under a QMS as required by ISO 17025:2017 and Florida state law. Sample collected per Atlas Labs' SOP-3006. This certificate may not be reproduced except in full, without the written approval of Atlas Labs FL, LLC. Additional information, if applicable, may be included on separate reports. The results relate only to the material or product analyzed. Test results are confidential unless explicitly waived otherwise. Action levels are State determined thresholds for human safety for consumption and/or inhalation. The results >99% are variable based on uncertainty of measurement for the analyte. The measurement uncertainty is available from the lab upon request.
